

THE GREAT BRITISH SUMMERTIME AT HECKFIELD PLACE

MAKE THE MOST OF THE SEASON IN THE GREAT
OUTDOORS WITH A RAFT OF THINGS TO DO FOR
THE WHOLE FAMILY ACROSS OUR 438 ACRES.
ALL JUST AN HOUR FROM LONDON.

DISCOVER OUR GARDENS IN BLOOM

First, you must get lost. It really doesn't matter which way you go. There is beauty in all directions. From our Upper Walled Gardens down to our enchanted woodlands. Summer time brings bursts of colour to discover all around.

PICNICS

Make the most of our Pleasure Grounds on a sunny day with this quintessential British experience. We recommend the east side of our Lower Lake for a stunning view of a sea of purple Rhododendrons from June – August.

WILD SWIMMING

The Lower Lake is a wonderful spot to enjoy a dip in nature. Take one of our waffle towels and head to the eastern end of the Lake where the water is deep and clear. Find our wooden pontoon and step ladder to ease your way in and out.

CYCLING + HIKING

Cycle or hike across the Estate and out into the little lanes to Farley Hill, or around the forestry tracks of Bramshill Forest to discover the peace and quiet of the Hampshire countryside. There are several country pubs that you can cycle or hike to.

BOATING ON THE LOWER LAKE

Take one of our rowing boats out onto the Lower Lake to enjoy the peace and calm of the nature of the Heckfield Estate. Add a picnic and make a day of it.

FALCONRY

Behold the majesty of these Birds of Prey. Under the supervision of our professional falconer, guests are invited to handle and fly these magnificent birds. It is an unforgettable moment when a hawk swoops out of the sky and lands on your gloved fist.

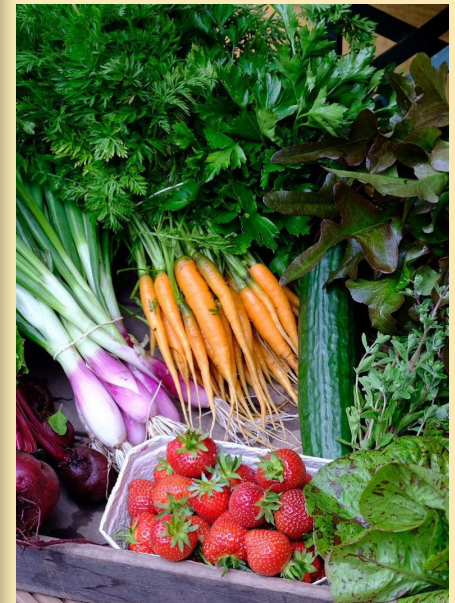

WELLINGTON RIDING

Wellington Riding is one of the UK's biggest and best-known equestrian centres and our immediate neighbour. Set in 300 acres of the Duke of Wellington's beautiful Hampshire estate, choose from a beginner's class to a hack through the countryside.

SEASONAL PRODUCE SALES

Take a bit of Heckfield home with you at our seasonal produce sale at Home Farm. The best seasonal produce from our biodynamic Market Garden will be available, along with delicious bits from our kitchen like preserves, cakes and biscuits. Every first and third Saturday of the month.

FOREST BATHING

Embodying the Japanese art and practice of Shinrin-Yoku ('Forest Bathing'), this experience is an opportunity to reconnect with yourself, and with nature, as you explore the diverse and peaceful trails among Heckfield's natural landscape.

FISHING

The Lower Lake is stocked with Rainbow Trout, Carp, Perch, Tench & Rudd. All levels of fishing are welcome, whether it's introducing you to the lake, setting you up, teaching for the first time or just guiding.

FARM FIT

A one-of-a-kind exercise experience! Farm fit is a circuit-based training using equipment found on farmland: tyres, weighted milk churns, ropes, hay bales, logs, sandbags.

SUMMER CINEMA

Our beautiful 67-seater, Dolby Atmos Screening room is hidden underground at Heckfield and hosts regular screening of current movies as well as talks as part of our Assembly programme.
